Canticle of the Sun

Let us celebrate the words of Francis of Assisi who loved all of creation. With him, let us give thanks for: "Brother Sun, who brings the day;

And who radiates the divine. He is beautiful and radiant in all his splendor

Sister Moon and the stars:

And all kinds of weather, which give sustenance to all creatures.

Sister Water, who is so useful, and humble,

And precious, and pure.

Brother Fire, who brightens the night and keeps us warm.

He is beautiful and cheerful, and powerful and strong.

Sister Mother Earth, who feeds and nurtures us,

And produces many fruits with beautiful coloured flowers and herbs.

All: And let us sing praises in our hearts to the divine who created all that is. Amen

*Hymn 339 *Lift Every Voice and Sing* LIFT EVERY VOICE

*CONFESSION AND PARDON

*Unison Prayer of Confession

God of all Creation, we come to you in a moment of personal and corporate confession. We participate in a

system which is exploitative and violent and which separates humanity from the rest of Creation. By acts of omission and commission we cause harm to others. At times we are guilty of complicity, passivity and denial, at other times of abuses of power. We hear the cries of both our fellow humans, who are already living in the midst of extreme poverty and hunger, and the cries of all Creation. We know we bear responsibility for the pain of both, and we know the impact one has on the other. We confess our complicity in the plight of all of your Creation, and beg your forgiveness and mercy, ...that we may do better to follow the way of you who creates. (...silent prayers) Amen.

*Assurance of Pardon

*Response of Praise No 581 *Gloria Patri*

*The Exchange of Peace

Peace be with you! **And also with you!**

(Greet one another, sharing God's peace.)
